VIRTUAL INTERACTIVE EVENTS

FOR TEAM BUILDING, CLIENT
CELEBRATIONS AND MORE!

Welcome to LetsVidya!

We connect people with their teams, clients, friends, and family through virtual events.

When people are distanced geographically, it is hard to bring them together to celebrate, team build, and collaborate.

LetsVidya plans, executes, and hosts customized virtual experiences for individuals and organizations.

What can we do for you?

Read on to see a sample of the types of events we have created for LetsVidya clients!

VIRTUAL EXPERIENCES

Below is a small sample of the types of events we have created for clients. However, if you can dream it, we can (probably) create it for you! Just ask!

Mixology Class

1-hour

- Basic cocktail education
- Instruction to make 2 drinks
- All recipes will be sent to participants after the event
- Spirits, Mixers, and Bar Supplies can be included and shipped at an additional per-person cost

Cooking Class

2-hours

- Taught by a professionally trained chef
- Participants will start with basic individual ingredients and make an incredible meal together
- While preparing the meal, the chef will also teach participants basic culinary skills
- Chef will work with you to customize your menu
- All recipes will be sent to participants after the event
- All of the ingredients can be sent fresh to the participants at an additional per-person cost

Game Show

1-hour

- Participants will be randomly selected to play upfront games
- Games will be played in a separate video call so that the rest of the participants can still talk, laugh, and engage socially
- The game being played will be live-streamed to the client's platform of choice
